

the desert, it's history,
your memories...

Proposed 2018 Trips

The trips listed below are what we have in mind for next year. Contact us for more information later in the year when we confirm our tours & expedition for 2018.

"GUNBARREL 60TH ANNIVERSARY" (Land Rover 70th)

2018 marks the 60th anniversary of the completion of Len Beadell's Gunbarrel Highway. Travel the full length of Len's road from "Victory Downs" in the Northern Territory to "Carnegie Station" in Western Australia.

- 18 days - May - self catered
- Diesel, Unleaded vehicles & Camper Trailers welcome
- No previous desert experience required

"Beadell Tracks & Western Deserts"

Nullagine, Skull Springs Road, Telfer Mine Road, Rudall River National Park, Parnngurr Community, Windy Corner Road, Canning Stock Route, Gary Highway, Gunbarrel Highway, David Carnegie Road, Laverton & the full Anne Beadell Highway

- 26 days - June - self catered
- Diesel, Unleaded vehicles & Camper Trailers welcome
- No previous desert experience required

"Secrets of the South West" - Off-Track Expedition

Searching the Great Victoria Desert for features of interest & explorer sites, another in our series of off-track expeditions exploring desert areas not seen by average travellers. These are special trips & require more preparation than a normal off-road tour.

- 24 days - August - self catered
- Diesel vehicles only - no camper trailers
- Special preparation required
- Split rims & heavy tyres compulsory

"Atoms, Mallee & Mulga"

A shorter trip concentrating on the area of Woomera & the south east of the Great Victoria Desert. Anne Beadell Hwy, Emu Atomic Site, Vokes Hill Corner Road, Cook, Nullarbor sites, "Googs Track", Kingoonya

- 18 days - September - self catered
- Diesel, Unleaded vehicles & Camper Trailers welcome
- No previous desert experience required
