

the desert, it's history,
your memories...

2019 Proposed Trips in Brief

The trips listed below are what we have in mind for 2019. As usual many of the trips will depend on permissions from Land Councils and other Aboriginal bodies.

"Rovers in the Rough"

A trip for Land Rovers through some very quiet and less visited country in the south west of the Great Victoria Desert between the Nullarbor and the Anne Beadell Highway. Series vehicles preferred but any Land Rover is welcome to join the trip.

- May 2019
- 20 days - self catered
- Fraser Range Station W.A. back to Fraser Range Station W.A.
- 1800kms approx' @ 90-100kms per day (Series trip pace)
- Land Rovers only - Diesel, Unleaded & Camper Trailers welcome
- No previous desert experience required

"Explorers Trip - Frank Hann & more"

This is not a full blown off-track expedition but will be doing a lot of travelling on faint wheel-tracks so some difficulties with tyres should be anticipated.

We will be trying for permission to travel on aboriginal hunting tracks and the like that pass through historical country away from the normal 4WD track networks. Obviously this trip will be dependent on permits & permissions.

- June 2019
- 22 days - self catered
- Laverton W.A. to Alice Springs N.T.
- 2000 kms @ 95 kms per day
- Diesel, Unleaded vehicles & Camper Trailers welcome
- No previous desert experience required

"Beadell Tracks Wanderer - Emu to Sandy Blight"

Anne Beadell, Connie Sue, Gunbarrel Highways, Sandy Blight Junction Road & Gary Junction Road with detours, a very popular adventure and a very well rounded look at the heart of Len Beadell's track network and the history of the western deserts taken at a leisurely pace.

- August 2019
- 26 days - self catered
- Coober Pedy S.A. to Alice Springs N.T.
- 3300 kms approx @ 132 kms per day
- Diesel, Unleaded vehicles & Camper Trailers welcome
- No previous desert experience required

"Central Desert Explorer"

A shorter tour through the country west of Ayers Rock & the Olgas taking in sites in the central ranges and art centres at Aboriginal Communities, much of this country is rich in explorer history which can still be seen and touched. Using the Great Central Road, Gunbarrel Hwy, Sandy Blight Junction Road and various old tracks & roads we will see the best the central deserts have to offer.

- September 2019
- 14 days - self catered
- Ayers Rock to Ayers Rock N.T.
- 1700kms @ 121 kms per day
- Diesel, Unleaded vehicles & Camper Trailers welcome
- No previous desert experience required
